PELTON GOVERNOR SUPPORT

If you have Pelton governors and are wondering about continuing support, look no further than American Governor. Over the years we have provided support to many hydro utility customers in the form of technical guidance, field service, factory repairs, and both factory and on-site training classes. We have an extensive inventory of Reconditioned parts on hand and are expanding our line of new replacement parts for various types of Pelton governors, including the Model B cabinet actuator. We'll do what it takes to keep your units running efficiently and reliably for years to come.
